Subject Re: Plate readers 

Capt Roberts- Currently Housing (Car 159)and Strike Force (Car 916) have Plate Readers. These are the 2 NEWEST Plate Readers that the city has and were just installed October 2012. Each District (A-B-C-D-E) has a Plate Reader Car. Other than that we have no "spare" or "extra" plate readers.

Subject Plate readers

Could you update me on the availability of additional plate readers? There is a great deal interest from both the Housing Unit and the Strike Force Unit officers. I believe the readers would pay for themselves in about two weeks. Let me or Chief Brinkworth know please. Capt Roberts
